

Office-Based Surgery
64B8-9.009 for MDs and 64B15-14.007 for DOs
Call for a Pre-Inspection Consultation
Get Prepared for the
New Inspections from the Investigative Services Unit

Consultants:

Cheryl E. White, RN, BS, MSHL, LNCC, LHRM, MSCC, DFSHRMPS has 16 years Office-Based Surgery inspection experience (Previous Florida Board of Medicine Inspector contractor). Provided training to new inspectors from the Investigative Services Unit.

Sheree M. Saroff, RN, BSN, MBA, LHRM, CLC, MSCC has 12 years Office-Based Surgery inspection and consultation experience (Previous Florida Board of Medicine Inspector subcontractor).

We can bring you our knowledge to prepare for your next Office-Based Surgery Inspection.

- Previous Florida Board of Medicine Office-Based Surgery Program Inspectors.
- LHRM – Licensed Health Care Risk Managers.
- RN – Registered Nurses.
- Surgery Knowledge.
- Sterilization and High Level Disinfection Knowledge.
- AAAASF inspectors.

What can we do for you?

- Perform a mock-inspection including:
 - Credential review.
 - Walk through of your facility.
 - Policy & Procedures review.
 - Chart review.
- Provide Report of Areas for improvement or change.
- Discuss any changes to the Office-Based Surgery Rules.

Call for an appointment a month or more ahead of your expected inspection date.
